

Renovation **Stadsboerderij urban farm**

that is the

Akor guarantee.

akor.nl

Location

Rijssen

Street

Grotestraat 27

Description

Our project with De Stadsboerderij urban farmhouse involved the restoration and renovation of a protected townscape. While a demolition permit had already been issued for this monumental structure originating from 1619, we were able to preserve the cultural gem after all.

Client

Zuna Holding B.V.

Construction year

2011
